Experience

The Home Depot   Marietta, Georgia (Remote)

Software Engineer Intern   May 2024 – August 2024

- Worked on an agile team as a SWE I on the Inventory, Planning, and Replenishment Team.
- Participated in two major projects within the team which would decrease inventory space being wasted and saved THD millions of dollars.
- Wrote Unit and Integration test using Jest, implemented CI/CD pipelines using Jenkins and Docker, assisted with application migration and worked on API endpoint testing.

Marietta Police Department   Marietta, Georgia

Intern   May 2022 – August 2022

- Worked with the Marietta Police department in patrolling, case studies, and learning exercises
- Worked alongside various departments including: Drug, Detectives, Cyber, K9, and SWAT

The Home Depot   Marietta Georgia

Tool Rental Associate/Technician

- Diagnose and service equipment
- Provide customer service and diagnostic information to customers when needed
